# Water surrounds the island of Bali and fills its landscapes: the Indian Ocean in the south, the Bali Sea in the north, the monumental waterfalls and the submerged rice fields. And even dreamy pools.

cbdesign continuously gets new inspirations from the ever-changing forms of water, from its colours and its reflections.

Inspirations that creates really luxurious furniture: beautiful, refined, designed to make you feel good, balanced and in harmony, nature's way.

THEY SAY WATER HAS REGENERATING AND PURIFYING POWERS. THEY ALSO SAY IT HIDES ENORMOUS STRENGTH, LIKE THE ONGOING POWER OF THE WAVES OR THE DEVASTATING POWER OF RAIN. ALL THIS MUST BE KEPT IN MIND WHEN DESIGNING OUTDOOR FURNITURE: MATERIALS, SUCH AS ALUMINIUM, MUST BE TREATED TO BECOME WEATHERPROOF AND LONG-LASTING.

# Water purifies the soul, reinstating its original lightness.

*Taking part in purification rituals in the Tirta Empul temple is a mystical and fascinating experience. The location is filled with positive vibrations and energy. It's as if the water not only cleanses the body but the spirit too. Reinstating its original lightness.*

Just take a look at this landscape and you will perceive the fathomless power of still, calm water. But in Bali, the island of gods, there is a place where water is sacred: the Tirta Empul temple.

This is the temple where water gushes out of the earth. In the temple gardens there are large pools of spring water and big, sculptured fountains under which the Balinese people perform purification rituals.

Sophisticated accessories

The Indian Ocean  
gifts you with  
enchanting views.  
The beaches and  
cliffs in Uluwatu are  
white, while the sea  
is turquoise.

*relax in the island's crystal-clear water*

Mandala is a villa with a privileged view of the Ocean. The wind permeates the water and air here, making it a surfer's paradise.

THE LANDSCAPE INSPIRES  
THE COLOURS OF THE FURNITURE

**Colourful weaves: white cliffs, sand, sea foam and waves. The blue sea with turquoise reflections.**

The Miami deck chair and director's chair feature a teak frame and fabric upholstery.

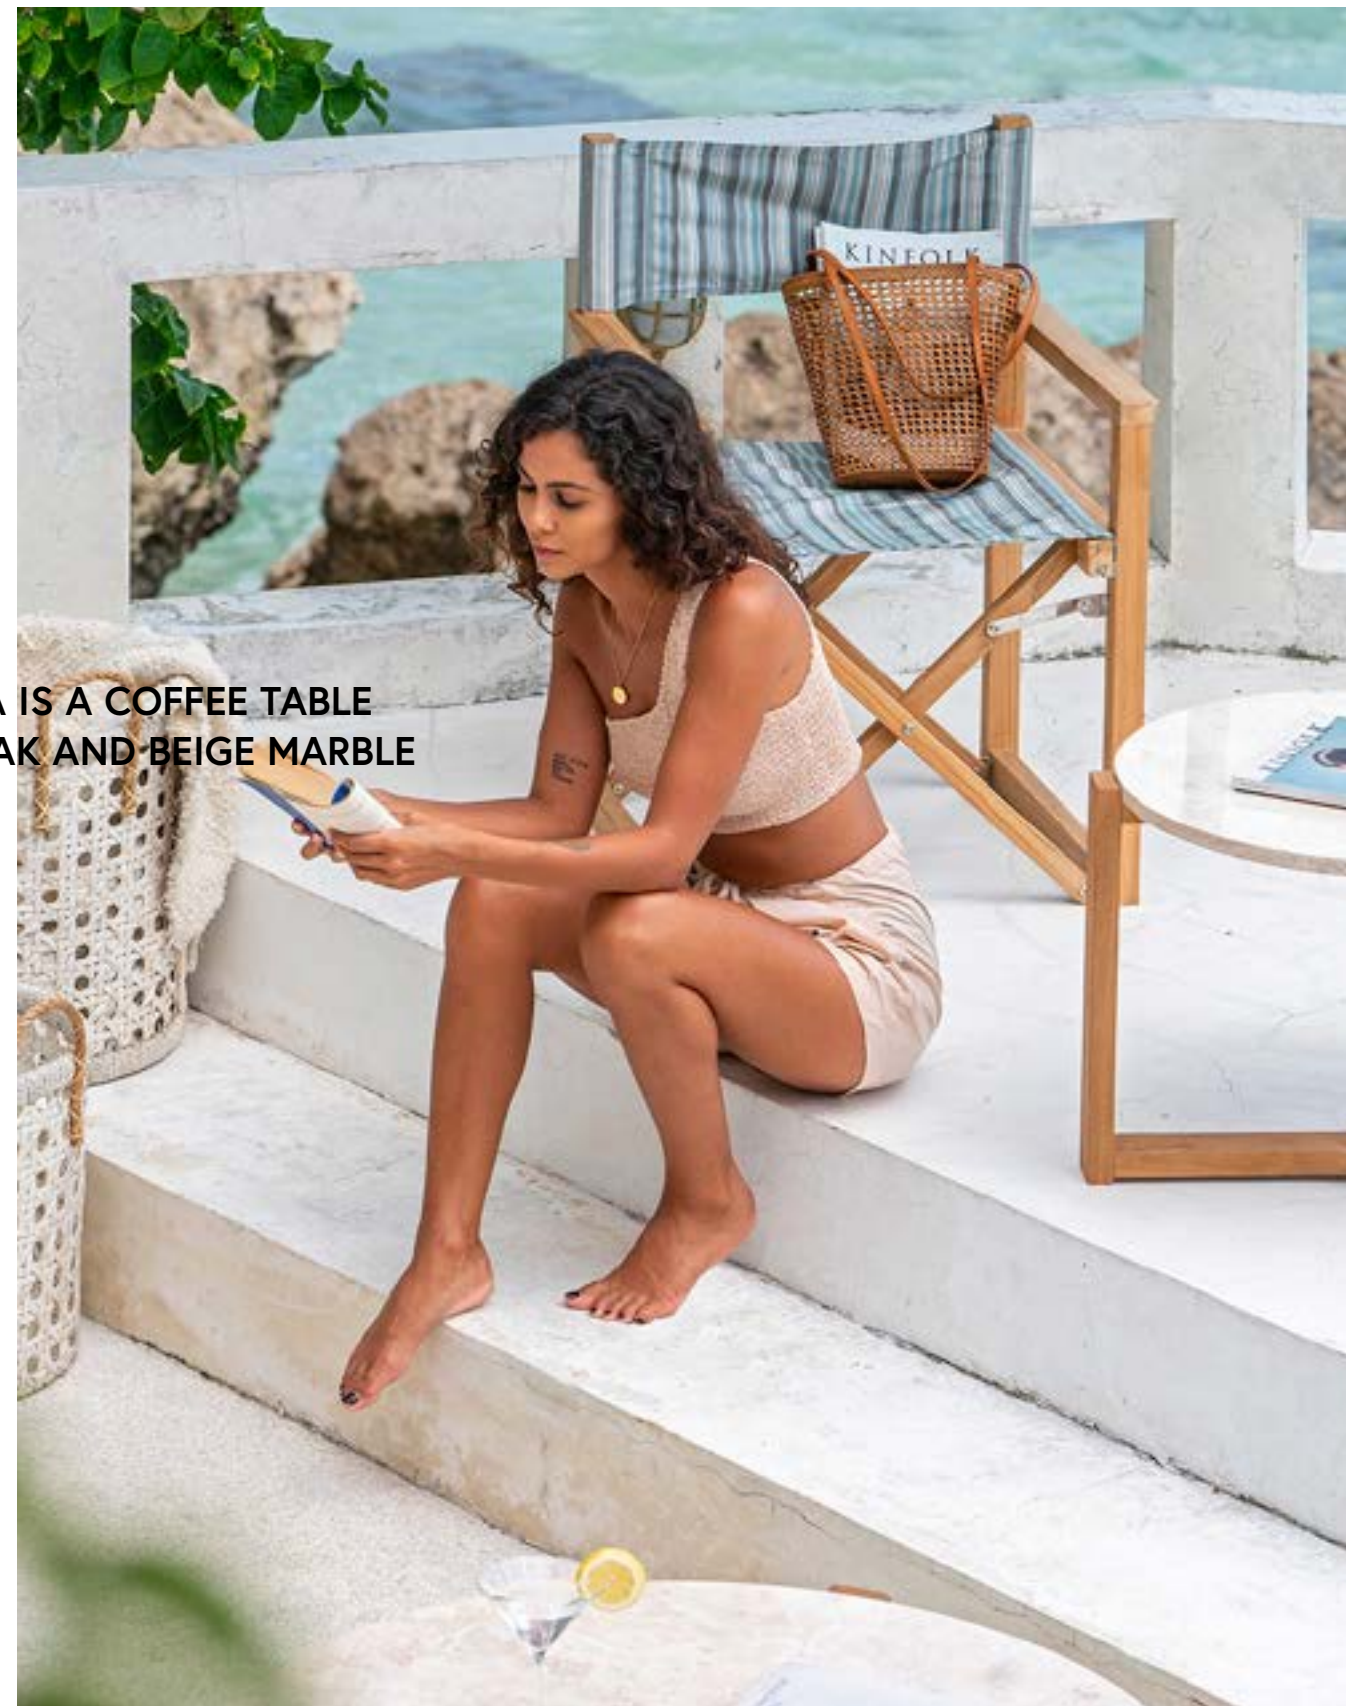

They are light and easy to fold away so you can take them wherever you please.

DELTA IS A COFFEE TABLE  
IN TEAK AND BEIGE MARBLE

*Endless shades of colour*

THE CLOUDS AND THE SUN  
FILL THE OCEAN WITH COLOUR

Natural wood tones are  
combined with bright  
fabric colours: unfailingly  
sophisticated combinations  
full of character.

THE WAVES BREAK ON THE SHORE AT A REGULAR PACE, CREATING SOFT FOAM THAT QUICKLY DISAPPEARS. A GENTLE WIND CARRIES THE SCENTS OF THE SEA. THE SUN KISSES AND WARMS THE SKIN. HERE, NATURE OFFERS ALL THE INGREDIENTS FOR RELAXATION.

*the ingredients for relaxation*

DIRECT ACCESS TO THE WAVES AND TO SURFING

Different products and collections make use of the same materials, such as teak, allowing you to mix and match furniture to create your own, personal style.

Outdoor furniture creates an area in which you can let yourself be lulled by the sea and authentically enjoy its presence at any time of the day.

It's worth  
your while to  
experience the  
sea at any time of  
the day, or in the  
night, when the sun  
makes way for new  
atmospheres.

*As goes the day, so goes the night*

# Mandala is located in Uluwatu, where cliffs tower above the sea.

*White and honey-coloured beaches*

BEIGE AND HONEY:  
THE COLOURS OF  
THE FURNITURE BRING  
TO MIND THOSE OF  
THE BEACHES.  
MARBLE AND TEAK  
MEET ON THE DELTA  
COFFEE TABLE,  
CREATING A PRODUCT  
WITH A MINIMALIST,  
VERSATILE AND  
TIMELESS DESIGN.

*In Uluwatu,  
the seabed is shallow  
and rocky. Beaches  
are natural and wild,  
decorated by twigs,  
stones and seaweed.*

Uluwatu is south of Bali island and is named after the famous temple located on the chalk cliffs.

This area is full of beaches, some of which are small, hidden bays, mainly known to surfers.

SPENDING YOUR TIME  
IN TOTAL RELAXATION

The Vienna chairs are colonial inspired and hand woven in many colour and textures.

# Yarns woven on ancient looms using methods handed down from generation to generation

On the Indonesian islands fabrics are still woven by hand on ancient looms using methods that continue to be handed down from generation to generation.

This results in natural, fine textiles that are perfect to cover scatter cushions: a distinctive touch for accessories that enhance the style of the furniture.

*Made by hand*

UNIQUE SHAPES FOR A DISTINCTIVE DESIGN, CREATED TO BECOME ICONIC. THE DAISY BEACH UMBRELLA IS SHAPED LIKE A FLOWER AND REPLICATES THE COLOURS OF ITS NATURAL SURROUNDINGS, LIKE THE SEA, THE YELLOW FRANGIPANE, THE BLUE SKY AND THE PURPLE BOUGAINVILLEA.

*As yellow as frangipane*

Daisy's frame is in aluminium. The synthetic fabric is available in many soft or bright colours.

*I LISTENED TO THE SOUND OF THE WAVES ON THE OCEAN SHORE WHISPERING NEW IDEAS TO ME.*

WHEN LOOKING CLOSELY AT NATURE WE REALISE HOW IT ALWAYS PRESENTS THE MOST BEAUTIFUL AND SOPHISTICATED COLOUR COMBINATIONS: THE TURQUOISE OF THE SEA PAIRED WITH THE AMBER TONES OF THE SAND. THE YELLOW SUN SHINING IN A BLUE SKY. CORAL ORANGE SET IN DEEP OCEAN BLUE. OUR TASK IS TO LOOK, GET INSPIRED AND TRANSFORM THIS BEAUTY INTO UNIQUE CREATIONS THAT ARE FOREVER NEW.
