Meridiani Headquarters

Meridiani, fondata nel 1996, si contraddistingue nello scenario dell'arredamento 100% made in Italy per la capacità di creare collezioni contemporanee e allo stesso tempo versatili, in grado di intendere la casa come se fosse un abito da indossare. La purezza del disegno, la continua ricerca di nuovi materiali e texture, suggeriscono un modo sofisticato di abitare la quotidianità. Uno stile e una identità precisi e riconoscibili ma che, al tempo stesso, offrono sempre nuove fonti di ispirazione e spazio per l'interpretazione personale.

Il marchio, coordinato dal designer e art director Andrea Parisio, propone un'ampia selezione di raffinati tessuti e pelli in oltre cinquecento varianti, oltre ad una estesa gamma di finiture, tra cui preziosi marmi, metalli, specchi, lacche opache e lucide ed essenze.

Abilità artigianale, sapienza tecnica e profonda conoscenza dei materiali caratterizzano le collezioni, capaci di dare vita a un'esperienza di lifestyle totalizzante: dall'area living alla zona pranzo, ma anche aree di conversazione, camera da letto e home office, fino ai prodotti dedicati all'outdoor.

Collezioni atemporali, eleganti e senza fronzoli, essenziali senza essere troppo disciplinate, moderne senza cedere al design modaiolo. Uno stile riconoscibile, un nuovo classico che lascia spazio all'interpretazione individuale. Proposte che spaziano dall'area living alla zona notte fino agli spazi aperti: segni rigorosi, proporzioni esatte, volumi essenziali. Tessuti preziosi che sembrano rubati al più ricco guardaroba: lini, cotone, velluti e ciniglie, trame eleganti che prendono la forma di divani, letti, sedute. La morbidezza della pelle e la forza del cuoio vengono esaltati da cuciture ispirate alla selleria.

Ogni prodotto originale Meridiani è il risultato dei migliori materiali, delle più accurate lavorazioni e di attenti controlli qualitativi: competenza, perizia e attenzione ai dettagli sono garantite da esperti artigiani il cui lavoro manuale si affianca ai processi industriali. Tutti i prodotti sono provvisti di un certificato di autenticità e garanzia che garantisce l'origine italiana e la qualità dei prodotti acquistati. La Certificazione 100% MADE IN ITALY richiede infatti alle aziende una serie di controlli accurati, volti a certificare che l'intero ciclo produttivo sia totalmente svolto in Italia.

COLLEZIONI SENZA TEMPO, CONTEMPORANEE E VERSATILI, CAPACI DI INTERPRETARE OGNI CONTESTO E DI CREARE AMBIENTI CHE SONO LO SPECCHIO DELLA PERSONALITÀ DI CHI LI ABITA.

Timeless, contemporary and versatile collections which interpret every different context to create personal environments, able to reflect the personality of those who live there.

Established in 1996, Meridiani stands out in the Made in Italy furniture scene thanks to its contemporary and at the same time versatile collections, which interpret home as a dress to wear. Neat and pure shapes along with constant research for new materials and textures suggest a sophisticated way of living everyday life; a distinguished style and a recognizable identity that at the same time always offer new sources of inspiration and leave space for personal interpretation.

Coordinated by the designer and art director Andrea Parisio, the brand offers an ample selection of more than five hundred fabrics and leathers, further to a wide range of available finishes and materials - among them precious marbles, metals, mirrors, matt and glossy lacquers and wood.

Craftsmanship and manual skills, know-how and deep knowledge of materials and techniques characterize the collections and give life to a total-look lifestyle: from the living to the dining area, but also conversation corners, night areas and home office up to the outdoor products. Timeless collections, elegant and without frills, essential but still vivacious, modern but with no compromises with temporary trends: meticulous signs, precise proportions and essential volumes. The precious textiles seem stolen from the richest wardrobe: linen and cotton, velvet, chenille and elegant textures are skillfully transformed into refined pieces of furniture - sofas, beds and seats; the softness of full grain leather and the strength of saddle-leather are emphasized by the seams inspired by saddlery.

Every original Meridiani product is the result of careful manufacturing, accurate quality controls and the best materials: expertise, know-how and care for details are guaranteed by our artisans, whose work goes side by side with industrial processes. All Meridiani products are accompanied by a warranty certificate, which confirms the Italian origin and the quality of your purchase.

SKETCHES OF CONFIGURATIONS

Harold

Un sistema di sedute estremamente versatile, ideale sia per la casa che per spazi contract: divani lineari ed elementi componibili, anche curvi o asimmetrici, possono dare vita a molteplici, raffinate configurazioni. I volumi rigorosi sono ammorbiditi dalla leggera stonatura, mentre il dettaglio dell'impuntura su strutture e cuscini sottolinea le proporzioni. La collezione è disponibile anche nella versione con imbottitura Supersoft. Per una personalizzazione maggiore sono disponibili diverse tipologie di profondità, oltre alla possibilità di scelta dei braccioli.

A very versatile collection of sitting units composed by different elements and shapes, perfect for both residential use and contract projects: the linear, asymmetrical or curved elements give life to the most diverse configurations. Rigorous volumes are slightly smoothed by soft curves and enriched by the detail on the stitchings, visible on both frame and cushions. This collection is also available with a Supersoft upholstery; for further customization more seating comforts are available, as well as different armrests.

Hector

Rivisitazione ricercata e contemporanea del divano elegante e classico, la collezione è contraddistinta dal taglio diagonale nella scocca, che separa seduta e schienale. L'impuntura su struttura e cuscini ne definisce le forme, mentre la generosa profondità di seduta invita ad un comfort assoluto.

A sophisticated, contemporary reinterpretation of classic, elegant sofas: this collection is characterized by the diagonal cut of the frame which separates seat and backrest. A rich piping on the cushions defines the shapes, while the generous depth evokes a feeling of "home" and absolute comfort.

Joseph

Joseph è un divano dalla linea aerodinamica, una forma 'a fagiolo' inclinata sul fianco, con una doppia anima: una più borghese ed elegante per la versione completamente liscia, e un'altra più disinvolta interamente trapuntata. Un elemento conviviale, da conversazione, pensato per una collocazione a centro stanza o per essere abbinato ad altri elementi.

Joseph is a sofa with an aerodynamic line, a shaped tilted to the side 'bean', imagined with a double look: a more bourgeois and elegant, completely tight one, and another more casual, entirely quilted one. A convivial element, for conversation, conceived - both for the height of its backrest and for the overall conformation - for a placement in the middle of the room or to be combined with other elements.

Il rivestimento asseconda le linee morbide della collezione, lasciando a vista il dettaglio della base. Il divano è connotato dalla seduta con mono-cuscino per un look più contemporaneo.

POLTRONCINA . SMALL ARMCHAIR (vol. 1) P. 236

A balance of proportions between softness and contemporary appeal: this collection shows at the same time a metropolitan look and cosy, rounded shapes. Lenny Fit includes sofas in different dimensions and a small armchair for conversation or relax corners. The cover follows the soft lines of the collection, leaving out at sight the details of the base. The sofa is characterized by the presence of one single cushion for a more contemporary appeal.

Braccioli sagomati con un taglio obliquo caratterizzano la collezione e, grazie al cuscino di seduta intero, l'immagine complessiva risulta morbida ma sofisticata. La possibilità di giocare con la combinazione di elementi con diverse profondità permette composizioni eclettiche e versatili.

Contoured armrests with an oblique cut are the characteristics of this collection and, thanks to the seat cushions, the total look results both softer and sophisticated. The possibility to play with its various elements with different depths allows to have versatile and eclectic combinations.

Louis Up

Essenziale e rigoroso, il sistema di sedute Louis Up ha come elemento caratterizzante un unico cuscino di seduta: una scelta estetica capace di conferire alla collezione un'immagine leggera e contemporanea, esaltata da volumi sottili e dai piedini in metallo.

Essential and severe, the Louis Up seating system shows as characteristic element a single seat cushion: an aesthetical choice conferring to the collection a contemporary look, enhanced by the light volumes and the metal feet which rise it from the floor.

Norton Capitonné

Norton Capitonné è un divano immaginato e prodotto come un blocco unico, ma scandito da una successione di volumi differenti. La lavorazione capitonné caratterizza e avvolge completamente il prodotto: braccioli, seduta, schienale presentano un'elegante uniformità tecnica e stilistica. Norton Capitonné è un'opera di alta manifattura, realizzabile grazie a uno straordinario know-how e a una consolidata e sapiente esperienza artigianale.

Norton Capitonné sofa has been imagined and realized as a single element with volumes, but marked by a succession of different volumes. The 'capitonné' quilting characterizes all sides: arms, seat and back show a refined uniformity in terms of technicality and style. It is a work of high craftsmanship, realized thanks to an extraordinary know-how and a consolidated artisanal experience.

Giochi di equilibri tra volumi e proporzioni e un'ampia varietà di dimensioni ed elementi modulari danno vita a molteplici configurazioni. La cifra stilistica della collezione è un'elegante leggerezza, evidenziata dai piedini a vista; le cuscinate sono disponibili con finitura liscia o trapuntata.

Like sofas, armchairs are undisputed protagonists of living areas. Welcoming pieces with a thousand different personalities, they never give up on comfort and quality of materials and can be customized thanks to a wide choice of textiles to choose from – exactly in the same way as you would pick up a dress from your wardrobe.

Belmon

Forme dolcemente squadrate per un evergreen Meridiani: la profondità di seduta, volutamente ridotta, rende la collezione ideale per la conversazione. La linea comprende elementi modulari, chaise longue, dormeuse e poltrone in diverse dimensioni, oltre ad una versione divano-letto per la massima versatilità di utilizzo, senza rinunciare ad un'estetica raffinata.

Gently square shapes for a Meridiani evergreen, the seating depth of which, intentionally reduced, makes it perfect for conversation. This line includes modular units, chaise longue, dormeuse, armchairs in different sizes and one sofa bed, all of them may be customized in different ways without renouncing the refined aesthetic.

Cecile

Ironica, quasi pop e fortemente caratterizzante, la poltroncina è uno sbarazzino quanto elegante tributo al comfort. È disponibile anche in 'total look', con gambe rivestite in tessuto o pelle.

Ironic and almost pop, this small armchair is a carefree and an elegant tribute to comfort. It is also available in a total-look version with the legs covered in fabric or leather.

Forrest

Poltroncina dal fascino discreto: lo schienale ricurvo e le rotondità che definiscono i braccioli rappresentano un affettuoso omaggio alla tradizione riletta in chiave moderna. Forrest è in massello di rovere con inserto in giunco per lo schienale; la versione Soft si distingue per il rivestimento che riveste l'intera struttura. La collezione comprende anche love seat, bergère, pouf e panca.

POUF (vol. 1) P. 294

This small armchair shows a subtle glamour: the curved back and the rounded armrest represent a tender contemporary tribute to tradition. Forrest is made of solid stained oak with a cane insert on the backrest; the Soft version is different for its fabric or leather coatings that cover the entire structure. This collection is completed by a love seat, a bergère, an ottoman and a bench.

Gaben

La scocca è avvolgente, come per restituire la sensazione di un abbraccio; il look è riconoscibile, rassicurante, quasi maschile. Più classica con rivestimento in pelle, diventa più intima nella versione con rivestimento in tessuto.

The shell is featured by an embracing shape, conveying the feeling of a hug; the look is recognizable, reassuring yet simple and almost male. The appeal is traditional with a leather cover, while it becomes cosier with a textile cover.

La sintesi dell'essenzialità: forme primarie, una scocca che sembra lavorata artigianalmente e la capacità di restituire un comfort assoluto. Lo schienale alto caratterizza questa collezione. Il basamento girevole in metallo, o fisso in legno, dona al prodotto un'assoluta leggerezza visiva. Nella versione 'kuoio', la struttura esterna è in cuoio per un look più deciso.

Synthesis of essentiality: basic shapes, a shell with a handmade look and the ability to convey maximum comfort. The high backrest is the main feature of this collection. With either a revolving metal or a stained oak base, giving a visually lightness. For the 'kuoio' version, the saddle-leather structure gives it a strong look.

Josephine

Derivazione diretta del divano Joseph, anche la poltroncina Josephine ha una doppia anima: una più borghese ed elegante per la versione completamente liscia, e un'altra più disinvolta interamente trapuntata. A connotarla ulteriormente, una pratica base girevole.

Josephine, direct heir of the Joseph sofa, is imagined with a double look: a more bourgeois and elegant, completely tight one, and another more casual, entirely quilted one. In addition, a practical swivel base characterizes it.

Keeton

Sono le proporzioni perfette a connotare questa collezione, ideale sia per il living sia per la zona notte. La versione Fit, completamente rivestita, nasconde il basamento a favore di un total look monomaterico, mentre il modello Wood propone schienale e basamento in legno a vista.

Perfect proportions feature this collection, suitable for both the living and the night area. The Fit version is completely covered with textile or leather, hiding the base in favour of a mono-material total-look; the Wood version instead shows wooden backrest and feet.

Soft and essential lines are the most important features of this lounge chair, reinterpretation of the classic bergère which, thanks to the high backrest, represents the perfect solution for relaxing. Liu is available both with loose cover and in the version Skin, with tight cover which leaves the base at sight. A special version, showing a gentle elegance, is the Liu Kuoio which offers to sight and touch the pleasure of an outer shell in saddle leather, emphasized by the precious detail of saddlery stitching.

Teresa

Due anime racchiuse nello stesso corpo: Teresa è una poltrona caratterizzata da linee essenziali che assumono forma e struttura attraverso il calore e la matericità del massello di rovere, sapientemente lavorato. Il comfort e l'estetica differiscono per la versione "soft", più morbida e accogliente, rivestita con tessuti e pelli di collezione, e quella "kuoio". Quest'ultima assume un aspetto più deciso e grintoso, tramite una scocca di cuoio che definisce schienale, braccioli e seduta: la particolare realizzazione in cuoio che si lega alla struttura in rovere, disegna una seduta sospesa che ne sottolinea il rigore.

Two souls enclosed in the same body: Teresa is an armchair marked by essential lines that take shape and structure thanks to the warmth and solidity of oak wood, skillfully crafted. Both comfort and aesthetics differ in the available versions, the "soft" one, more welcoming, with padded back and seat covered with the textiles and leathers in collection, and the "kuoio" one. The latter takes on a more gritty and decided look thanks to a saddle-leather body that defines back, armrests and seat: the particular saddle leather shape bound up to the oak frame draws a suspended seat that emphasizes its rigor.

Zoe

Zoe è una collezione di poltrone caratterizzata dal particolare abbinamento di materiali diversi, come l'alluminio e il cuoio. Quest'ultimo viene sapientemente lavorato per dare vita a uno schienale 'a busta' con cuciture sartoriali, o con intrecci in cuoio realizzati a mano. Zoe ha la seduta imbottita e i due cuscini schienale opzionali rendono questa poltrona ancora più confortevole e versatile.

Zoe is a collection of armchairs characterized by the special combination of different materials, such as aluminium and saddle leather. The latter is wisely worked to give life to an envelope-shaped backrest with sartorial stitchings or with hand-woven saddle leather pleats. Zoe has a padded seat and two optional back cushions make this armchair even more comfortable and versatile.

Brons

Forme, colori e dimensioni che, liberamente accostati, danno vita a imprevedibili giochi grafici. Sono i pouf della collezione Brons, elementi con struttura in legno e imbottitura in poliuretano indeformabile, utilizzabili sia come una comoda seduta che come versatili piani d'appoggio.

Shapes, colours and sizes that, freely combined, give life to unexpected graphic patterns. These are the Brons ottomans, elements with a wooden frame and non-deformable polyurethane padding that can be used either as a seat or as a versatile support.

Forrest

Poltroncina dal fascino discreto: lo schienale ricurvo e le rotondità che definiscono i braccioli rappresentano un affettuoso omaggio alla tradizione riletta in chiave moderna. Forrest è in massello di rovere con inserto in giunco per lo schienale; la versione Soft si distingue per il rivestimento che riveste l'intera struttura. La collezione comprende anche love seat, bergère, pouf e panca.

This small armchair shows a subtle glamour: the curved back and the rounded armrest represent a tender contemporary tribute to tradition. Forrest is made of solid stained oak with a cane insert on the backrest; the Soft version is different for its fabric or leather coatings that cover the entire structure. This collection is completed by a love seat, a bergère, an ottoman and a bench.

Adrian

Collezione di tavoli bassi che si distinguono per la peculiare forma del piano: un osso di seppia che si assottiglia, affusolandosi, e sembra quasi sospeso nel vuoto grazie alla snellezza della struttura. Realizzati in differenti dimensioni, i tavolini Adrian sono disponibili con top in lacca lucida e opaca o nelle diverse varianti di marmo. La struttura in metallo tubolare può essere interamente in ottone bronzato oppure nera - anche completata da raffinati puntali in ottone.

Collection of occasional tables featuring smooth edged tops, almost visually floating on a slim frame. Realized in various dimensions, the Adrian coffee tables are available with tops in matt or glossy lacquer or in the different marble kinds. The frame in tubular metal can be entirely in bronzed brass or black - also completed by refined bronzed brass tips.

È la perfezione geometrica la chiave estetica di questa famiglia di tavoli bassi disponibili in diverse dimensioni per ciascuna forma. Realizzati con la fascia perimetrale nelle preziose finiture artigianali dell'ottone bronzato o dell'acciaio platinato, i piani presentano varie finiture che spaziano dal vetro, allo specchio, alla lacca o al marmo. Vibrante la versione Mirror interamente rivestita con le superfici riflettenti dello specchio.

The formal key of this family of low tables is the geometrical perfection: they are available in different sizes for each form. The perimetral side panels are available in handcrafted finishes such as bronzed brass or platinum steel, with tops in various finishes, from glass to mirrors, lacquer and marble. Very vibrant the Mirror version, completely covered with reflecting surfaces.

Il look di ciascun elemento è determinato dalla finitura scelta per i piani, così che si possa spaziare dall'informalità garantita dalle lacche, all'eleganza e alla preziosità del cuoio e del marmo, alla modernità dell'ottone bronzato o acciaio platinato.

Ralf

Un prezioso gioco di equilibri e di rimandi geometrici determina il look di questi tavoli bassi: due dischi – uno definisce il piano, l'altro la base – sono collegati da una leggera struttura composta da due rette in metallo verniciato ottone bronzato, acciaio platinato o nero opaco. Il basamento è in marmo, i piani in lacca, specchio o marmo.

A precious play of balances and geometrical recalls determines the look of these low tables: two round disks – one defines the top, the other one the base – connected by a light frame composed by two straight lines in varnished metal colour bronzed brass, platinum steel or matt black. The base is in marble, tops in lacquered wood, mirror or marble.

Vittorio

Vittorio è un tavolo basso dalla forma circolare, che si può utilizzare come singolo elemento di arredo o ambientato con poltrone e divani, abbinando e sovrapponendo i modelli della collezione, disponibili in diverse dimensioni ed altezze. La struttura in legno massello oppure con finitura lucida o opaca è lavorata per creare una morbidezza visiva. La purezza delle forme è sottolineata dal top, definito da un vassoio tondo che accoglie un piano disponibile in vetro retro-verniato, in marmo o in rovere. Le diverse possibilità di combinazione dei materiali e un sotto-piano optional rendono questo pezzo estremamente versatile.

The Vittorio coffee table is featured by its circular shape; it's perfect both as a single piece of furniture or in an ambience setting with armchairs and sofas, combining and almost overlapping the different sizes and heights available in collection. The frame in solid wood is crafted to convey a visual harmony; it is proposed with different color finishes or else with glossy or matt lacquer finish. The neat, pure shapes are underlined by the top - a round tray that holding a top in back-painted glass, marble or oak. Different materials and an optional under-top make this piece extremely versatile.
