Different design, the same materials: the Alisee and Kristin chairs have a lot in common, starting from their teak legs with a smooth, honey-coloured finish.

Both of them feature hand-woven, synthetic fibre seats. Kristin also has a woven backrest whilst Alisee's is in teak with cocooning lines.

EVEN AS FAR AS MACRAME' IS CONCERNED, CBDESIGN PRODUCTS ARE HAND-WOVEN ON THE INDONESIAN ISLAND OF JAVA. THIS TECNIQUE ENHANCES THE UNIQUENESS AND VALUE OF ANY PRODUCT WHILE MAKING IT POSSIBLE TO COMBINE VARIOUS COLOURS.

_ Macramé is a technique that consists in weaving cord by hand, using knots to secure the ends and obtain a lace effect. It's very trendy for outdoor furniture.

The Fes deck chair has a natural teak frame and a macramé woven seat.

It is a strong and comfortable chair designed for enjoying moments of precious relaxation.

Fes_ relax chair / Cosito_ coffee table

COLOURS THAT DO NOT FADE IN THE SUN

Black, green, light blue, sand and cream: five natural colours to choose from.

They let you furnish any space with refinement in line with your personal taste.

BLACK IS INSPIRED BY THE INCENSE THAT BURNS AND SCENTS THE AIR. GREEN BY THE VEGETATION SWAYED BY THE BREEZE. BLUE BY THE CALM, CLEAR SKY. YELLOW/GREY BY THE SAND OF THE BEACHES LASHED BY THE WIND THAT SURFERS ARE SO FOND OF. CREAM BY THE SOFT CLOUDS FLOATING IN THE SKY.
